

DEDA's 2023 Dance Recital

Theme: "This Crazy Thing Called Life"

Performances are known for creating special memories - both for the dancer and their family and friends. It is a sentimental moment in time for many parents, watching their child perform in front of an audience!

Performing onstage is an incredible opportunity for dancers to share what they have been learning in class and to showcase their progress from the beginning to the end of the year. All the hard work is worthwhile when a dancer experiences the high fives, smiles, applause and congratulations that the recital brings from classmates, family and friends.
