

## 2022 TIGHTS AND SHOES RECITAL REQUIREMENTS

**IMPORTANT NOTE:** All dancers with more than one costume should wear a nude leotard or dance liner under their costumes so that they can change costumes modestly since there are not enough closed stalls backstage for changing. Costumes will be changed in the dressing rooms in front of other dancers. If you are new to dance it is important to note that, similar to a bathing suit, dancers do not wear underpants under their leotard. Dancers wear tights in lieu of underpants. If that is concerning to you, your dancer is welcome to wear a nude leotard or liner also. Nude leotards or liners can be purchased through the studio.

**IMPORTANT INFO ABOUT TIGHTS:** We are using Revolution and Weissman tights at the studio. We do not recommend ordering your tights for the recital on Amazon because there are varying colors of tan and pink tights and we need all of our dancers to match. It is better to order those tights at the studio. We also recommend that you have 2 pair of each style/color tights that your dancer needs – one as a primary pair to get through photography week, dress rehearsal, and the recital. The other pair would be considered the back-up pair in the event of the tights getting a snag, run, or tear.

**IMPORTANT ORDERING INFO:** If you need to purchase/order tights, shoes or a nude leotard through the studio, we recommend doing so as soon as possible. There are shipping and supply issues that are creating huge delays.
